

**Joan** is a committed Christian who lives in Pece Division in Gulu District. She has walked with the Lord Jesus since 2019. When Joan learned about our training program through a friend, she successfully applied to learn a skill.

Joan is now a dedicated and loving learner. She says she is motivated by the fact that God gave her the opportunity to live each new day. With the new lessons she is learning, she is excited. She continues to grow each day in patience and love for the children. In her free time at the weekend, Joan loves to help her guardian.

Joan is devoted to learning as much as she can.

Please pray for her to have wisdom and strength and for God to lead her along the right paths.

Will you become a sponsor today with OMA Foundation? Your financial support, will allow us to teach Joan tailoring skills, livelihood support, follow-up and mentorship.
