

**Prossy** is a mother of one. She is from Laroo Prison ward, Gulu District. When she learned about OMA Foundation through her friend, she felt led to apply and acquire skills in tailoring. She was accepted and has since started her lessons.

Prossy is going through training. She currently stays with the mother. Her father passed away. She is now devoting her time to sharing the Word of God and bonding with children at home.

Prossy accepted Jesus in her life in 2015 and is thankful to God for what is ahead. She says God has been her all.

Please pray for her to keep her faith and to keep pursuing God's will for her.
